#### **Updates:**

##### Canal Dog Trash Issue

Lauren to follow up with request for additional garbage cans and carry-in/carry-out signs.

##### Social Media

Members to look into ways to invigorate the Commission's social media presence.

##### Plastics Ban

Cyndy provided an update on the City's plan to ban plastics before the state legislation may be passed.

##### Ash Tree Management Subcommittee

Lauren agreed to represent the Commission on the to-be-formed ash tree management subcommittee proposed by the Shade Tree Commission.

##### Penn East Pipeline

Kelly updated the group on the status of the Penn East Pipeline project.

##### City Hall Front Porch Planting

Lambertville Goes Wild has expressed interest in planting the City Hall front yard after the new porch is completed.

##### Flood Wall

Lauren to research and report on possible USACE flood wall project.

## **Lambertville Environmental Commission (LEC) – City of Lambertville**

### **Discussion:**

Meeting time was used to brainstorm and coordinate possible goals for the Commission over the next 6 to 18 months. Kelly will summarize the items discussed and cross-reference them with the Sustainable Jersey Actions. The items will then be sent as an online poll to the Commission members to consider before the August meeting so the Commission can continue forward movement in our strategic planning.

### **Meeting adjourned at 8:27 PM**

Respectfully Submitted,  
Lauren Kovacs  
Environmental Commission Member
