

Lambertville Shade Tree Commission

Minutes of Open Meeting

March 29, 2016

Meeting was called to order at 7:30. Present were Emily Goldman, Deborah Galen and Irene Rudolph.

Old Business:

A. Minutes of the January meeting were approved as submitted.

B. We reviewed the list of State approved foresters regarding hiring one to update our Community Forestry Management Plan. Emily will select several names to contact (particularly those who are located in the area) to see who would be interested in taking the job.

New Business:

A. We discussed the trees that someone cut at the end of S. Franklin St on both sides of the fire lane.

No approval had been requested. We need to find out who is the owner of the property. Emily said she would consult the tax map to determine that and follow up with the City Zoning Office about what the next step should be since it involves not just the street trees but the Steep Slope ordinance as well.

Meeting was adjourned at 8:08.

Respectfully submitted by Irene Rudolph
