

# LAMBERTVILLE Municipal Utilities Authority

## NOTICE OF PENDING SEWER SYSTEM WORK

The Lambertville Municipal Utilities Authority has awarded a contract for work that involves the cleaning, inspection, and lining of 3 sections of sanitary sewers in the City. The 3 areas include: N. Union Street between Delevan Street and York Street and Bridge Street and Church Street and Swan Street between S. Union Street and S. Franklin Street.

We plan to start at North Union Street between Bridge and Church Streets. The work will occur at multiple times based on the tasks involved. Each task should take one day. The contractor anticipates starting on September 9<sup>th</sup>.

We anticipate detours around the work areas with one way, one lane traffic maintained on North Union Street. Work hours are planned for 7:00 a.m. to 5:00 p.m.

More details on the work schedule will be posted as they become available. Traffic detour maps are currently on our website at: <http://lambertvillemua.com/news-and-events>

If you have any questions, please contact our office at 609-397-1496.
